

Amendments to the Drawings:

Prior to the present amendment, Fig. 1 through Fig. 10 had been incorporated into the text of the specification. The new attached sheets of drawings include each of Fig. 1 through Fig. 10, these being replacements for the drawings incorporated into the text of the specification. Fig. 1 through Fig. 10 as attached are reproductions (no new matter being added) of Figure 1 through Figure 10, respectively, which had been incorporation into the text.

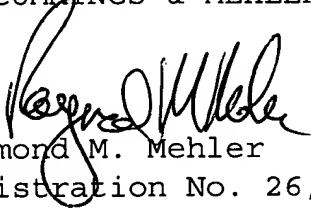

Attachments: Replacement Sheets 1 through 7, containing
Fig. 1 through Fig. 10.

REMARKS

The present amendment is made at the request of the Office and solely for the purpose of moving the drawings that had been incorporated into the text from out of the text and on drawing sheets that are separate from the specification.

Respectfully submitted,
